Why do you have her phone...?
Suprised?
I borrowed Mizuno-san's cellphone and sent you those messages,
Ohh, did I mention she confessed her love to me and now we're dating?
I wanted to ask her about it but, it turns out you had feelings for her, huh?
YOU THINK DOING THIS IS ACCEP-TABLE!?
WH-WHO CARES!?
CLANG!
You and Mami...?
Jealous?
Da-dating..?

JUST LIKE HOW YOU BLACKMAILED YUKINA-CHAN
NOPE, ITS UNACCEPTABLE,
EVERYONE KNOWS THAT SHE'S YUPINA NOW BECAUSE OF YOU.
SO THIS TIME,

I'LL DO THE SAME TO YOU, BY DOING DE SPICABLE THINGS...
TO YOUR PRECIOUS MIZUNO -SAN...
Wh- why...!?
MAMI HAS NOTHING TO DO WITH THIS! I DON'T LIKE HER OR THINK SHE'S PRECIOUS!
Ah, I forgot to tell you.

I made Mizuno-san wait for me in a certain place since last night,
I told her that I had something important to tell her
I heard she waited and cried all night long.

It's no use trying to find her without any clues, I don't know what goes through her head either.
A place where no one would care who she is...
But I'm sure she's thinking about me as it might be a place we've been to together...
For example...

LOUD CROWD
The Ferris Wheel!
Hey, let's ride that next!

Wait! Why am I observing people!?

Is that couple in the middle of a fight?
Seems like the woman's furious.

Whew,
Everyone's in their own little dream world here.
VISIT US AT AOCHOS!

I'm no longer -
Ya, did you hear about Yupine?

What about her?
Here too...?
SHE ANNOUNCED THAT SHE'S GOING TO STOP WRITING NOVELS!
WHAT!?
No way!
be the last
of my work as a novel
I truly thank you all f
supporting me!
Yeah, at the very end of the last chapter she wrote:
"With this chapter, it will be the last of my work as a novelist. Thank you all sincerly for you support up until now."
She sounds just like Lilia, who abandoned her kindom in the end!
Don't tell me she quit writing for someone she loves! Haha!

That's exactly what I did...
Funny huh?
The only way to show him how much I love him was to abandon everything precious to me...
I'm sorry Lilia...
Even if I must abandon everything,
I DON'T WANT TO LOSE HIM.
Yuki-na!

THUD!
AH!
Sorry!
Wha- What should I do...?
Is he going to give me his reply already ...!?
Did he come to look for me...!?
Shi- Shigure..?
Yuki-nai
SWISH
We- No.

Huh? Did I step on something?
Keep walking, there's people behind you.

WITHOUT MY GLASSES I'M...!
Umm is there something wrong...?
DO-
DON'T LOOK AT ME!
SWOSH
Whoa

Whisper
"I'll heal your weak-ness!"
She's acting strange
I've been frightened of the world without my glasses ever since I was little.
Whisper
Whisper
In the middle of a big crowed like this.
Shigure...
Their words and stares are piercing straight through my heart
"Then the bond between you and I will be strongly tied!"
My legs won't move...

YUKI
-NA!
YUKI
-NA!

Sigh,
I guess she didn't come here after all...
Shizuru

Their stares...
Aren't scary at all...
YUKI-NA!
THEY AREN'T SCARY IF SHIGURE'S CALLING ME...!

Hugs
Your glasses, they're...
I DON'T NEED THEM!
BEING HATED BY YOU IS A BILLION TIMES MORE SCARY!
I want to be with you, Shigure...

I ALSO WANT TO BE ABLE TO...
...LIVE WITH YOU, MY LOVE.
Its the same as what you wrote in the novel...
What...?

As the earl's lips rested on Lina's,
The castle of ice melted in that instant.
Along with it, the heavy snow surrounding it's kingdom, the aurora borealis...
The kingdom of ice, and her frozen heart

The power of their passion -ate love melted everything away, leaving nothing behind.
